

Steeple Aston Cricket Club

THE LORD'S TAVERNERS

Lord's Taverners Golf Day Friday 3rd September 2010 at Heythrop Park GC

Steeple Aston Cricket Club is organising a Golf Day to raise money for the Lord's Taverners, which was founded in 1950 by a group of actors who wished to put something back into the game of cricket. Over the years it has evolved into a recognised Club and Charity, with the stated aim of providing a sporting chance for disabled and disadvantaged children. To find out more about the Charity please go to their website at www.lordstaverners.org

We are inviting you to put together teams of four to play in a Stableford Tournament at the newly built Heythrop Park Golf Club. The club is currently in negotiations with the European PGA about hosting both a main and senior tour event there later this year; in any event it is a fantastic course. You may enter as many teams as you like.

If you are going to enter a team, please fill out the form below and send it together with your cheque/s (£90 per player, payable to "SACC Lord's Taverners") to:
Peter Higgins, Canterbury House, Steeple Aston, Oxon OX25 4SF
The entrance fee will entitle you to one round of golf, breakfast, lunch and a chance to win prizes on the day.

I look forward to hearing from you.

Regards

Peter Higgins
Chairman SACC
