CHERWELL DISTRICT COUNCIL

TREE PRESERVATION ORDER (NO.11/2018)

Statement of Reasons

1. **Amenity:** The tree/s specified within the first schedule of the Order have been included for its/ their high amenity value. This value was determined through qualified assessment guided by use of the TEMPO methodology (Tree Evaluation Method for Preservation Orders)
2. **Condition & Health:** A provisional inspection from ground level by a qualified officer indicated that generally the tree/s appears to be structurally and physiologically sound and should provide considerable amenity for many years to come.
3. **Conclusion:** It is the opinion of the Local Planning Authority that the tree/s specified in the Order be afforded the protection of a Tree Preservation Order and should be preserved under a direction of Town & Country Planning (Regs) 2012 taking effect immediately.
4. **Additional Information:**

A section 211 Notice was received to carry some work out on the trees specified in this TPO. The work is considered excessive. A more moderate programme of the work could be carried out. It is considered that the current work will be detrimental to the health of the trees and their amenity value.

THIS IS A FORMAL NOTICE to let you know that the Cherwell District Council have on 13 September 2018, made the above-mentioned Tree Preservation Order, (a copy of which, together with the accompanying map, is attached). In simple terms the Order prohibits you from cutting down, topping or lopping any of the trees specified in the First Schedule and shown on the map, without the Council's consent, but you must read the Order itself for the detailed provisions.

The Order took effect, on a provisional basis, on the date stated above. It will continue in force on this basis for a further six months or until the Order is confirmed by the Council, whichever first occurs.

The grounds for making the said Order are as set out in the attached statement.

A certified copy of the Order and the map included therein may be inspected without charge at the Cherwell District Council offices, Bodicote House, Bodicote, Banbury between the hours of 9.00 am and 4.00 pm Mondays to Fridays inclusive.

The Council will consider whether the Order should be confirmed, that is to say, whether it should take effect formally. Before this decision is made, the people affected by the Order have a right to make objections or other representations about any of the trees, groups of trees or woodlands covered by the Order.

Should you wish to raise any objections or make any representations with respect to the Order they should be made in writing by 11 October 2018 and must comply with Regulation 6 of the Town and Country Planning (Tree Preservation) (England) Regulations 2012 (reproduced overleaf), and should be returned to the Interim Legal Services Manager at the under-mentioned address.

All valid objections or representations are considered carefully by the Council's Planning Committee before deciding whether to confirm the Order. The Council will write to you again when a decision has been taken on whether to confirm the Order.
