

Steeple Aston Church Allotments Association - Application Form

The minimum age to hold an allotment is 18. Applicants must live within the boundaries of the Civil Parishes of Steeple Aston and Middle Aston.

A deposit of £25 is payable at the start of a tenancy regardless of plot size and the deposit will be returned at the end of the tenancy provided the plot and any remaining structures are left in good condition.

All applications will require to be approved by the Committee. If there is a waiting list your application will be added to it and you will be contacted when a plot becomes available. Plots are offered as they become available, working down the waiting list.

Allotment holders are expected to support the Committee's occasional working parties which are held on certain weekends during the year and involve tidying the communal areas, pruning, strimming and planting.

A standard Tenancy Agreement is attached. You will be required to sign the Agreement and abide by its terms if you become a tenant. Other policies of the Association are available on request.

Current Annual Rent costs: The annual charge of a full plot is £40. The charge for anything less than a full plot, including starter plots, is £20.
